Request Form for Accessing Digital Library outside UET Premises through VPN

Applicant Name		Department	
Official Email		Designation	
Reg No. (For Students)		Contact No.	
Present Address			

Important Instructions for VPN Users

- The objective of this service is to provide access to HEC digital library from home.
- Faculty/Staff members and MS/PhD, students can avail the VPN facility through proper channel.
- Users with VPN logins should not exchange/share their credentials with unauthorized users.
- VPN users will be responsible for their own password security once issued from IT Centre/CMS.
- Before connecting to VPN, a user must ensure that his/her system is free from viruses, worms, spammers, or any network scanner otherwise the infected system will be disconnected from the VPN Server.
- Any kind of misuse, redirection, use of network discovery tools and penetration testing is not permitted in UET network.

I carefully read and understand the terms and conditions stated above and agree to accept the responsibility.
