

Name: Muhammad Tufail

Designation: Assistant Professor

Department: Mechatronics Engineering

Specialization: Robotics and control, haptics, teleoperation, robot vision

Email: tufail@uetpeshawar.edu.pk

Area of Interest: Industrial robotics, mobile robotics, service robotics

Office Hours : Tuesdays 10:00 - 12:00

Office Location: Room R05, Dept. of Mechatronics

Phone: +92-91-5892776

Publications:

1. Muhammad Tufail, C.W. de Silva, Haptic Teleoperation using Impedance Control with Application in Homecare Robotics, Control and Intelligent Systems, Vol. 41, No. 3, 2013.
2. Tufail, M. and de Silva, C. W., Impedance Control Schemes for Bilateral Teleoperation, IEEE-ICSE, August 22-24 2014, Vancouver, Canada. [3rd Best Paper Award]
3. Muhammad Tufail, C.W. de Silva, Teleoperation using Impedance Control for Homecare Robotics, The IASTED International Conference on Engineering and Applied Science (EAS 2012), December 27-29, 2012 Colombo, Sri Lanka.
