

## Short Resume

Name: Professor. Dr. Engr. Muhammad Naeem Khan Khattak

Designation: Professor/Chairman

Department: Mechanical Engineering

Specialization: Technology and Quality Management

Email: [khattak1962@yahoo.com](mailto:khattak1962@yahoo.com)

Area of Interest: Total Quality Management, Technology and Innovation Management

Office Hours: 8:00 am-4:00 pm

Office Location: Chairman Office, Mechanical Engineering UET Peshawar.

Phone: 9222217

Publication:

### **Journal Articles**

- 1) Mohammad Naeem Khan and Qazi Raza ur Rehman "Prospects for and constraints on the Development of Information Technology (IT) in Developing Countries Journal of Engineering and Applied sciences (JEAS) Volume: 15 No. 2 July- Dec. 1996.
- 2) Mohammad Naeem Khan "Policy Issues relating to the Development of Information Technology (IT) Sector" Journal of Engineering and Applied Sciences (JEAS) Vol. 15 No. 2 July-Dec. 1996.
- 3) Mohammad Naeem Khan "Stimulation of Protected Industries by Import Substitution Industrialization (ISI)" Journal of Engineering and Applied Sciences (JEAS) Vol. 16 No. 1 Jan-June 1997.
- 4) Mohammad Naeem Khan "Supportive Role of the Government in Industrialization" Journal of Engineering and Applied Sciences (JEAS) vol. 16 No. 1 Jan-June 1997.
- 5) Mohammad Naeem Khan "Technology and Economic Growth" Journal of Engineering and Applied Science (JEAS) vol. 17 Jan-June 1998.

- 6) Mohammad Naeem Khan "The Role of Patent System in Technology Transfer, in Foreign Investment and Terms of Trade" Journal of Engineering and Applied Science (JEAS) vol. 17 No. 2 Jul-Dec. 1998.
- 7) Iftikhar Hussain, Abdul Hadi and Mohammad Naeem Khan "Material Handling Equipment Selection in Manufacturing Environment" Journal of Engineering and Applied Science (JEAS) vol. 22 Jul-Dec. 2003.
- 8) Shaukat Ali Shah, Mohammad Naeem Khan, Abdul Hadi and Iftikhar Hussain "An Intelligent Decision Support System for Machines Selection" Journal of Engineering and Applied Science (JEAS) Vol.22 Jul-Dec, 2003.
- 9) Iftikhar Hussain, Abdul Hadi, Sahar Noor and Mohammad Naeem Khan "Single Model Assembly Line Balancing" Journal of Engineering and Applied Science (JEAS) Vol.22 Jul-Dec, 2003.
- 10) M. Waqar Ali and Mohammad Naeem Khan "Management of Open Pit Mining Operations with Ore Stockpiles" Journal of Engineering and Applied Science (JEAS) Vol.23 Jan-Jun, 2004.
- 11) Mohammad Naeem Khan, M. A. Baseer and Mehr Bajwa "Need For an Up-gradation Policy for Industrial Technology-I" Journal of Engineering and Applied Science (JEAS) Vol.26 July-December 2007.
- 12) Mohammad Naeem Khan, M. A. Baseer, Mehr Bajwa and S. Zafar "Key Manufacturing Sectors For Technology Up-gradation In Pakistan: Low-Tech Manufactures" Journal of Quality and Technology Management ,Vol.III, Issue II, December 2007
- 13) Mohammad Naeem Khan, Mehr Bajwa, S. Zafar and A. S. Bokhari "Key Manufacturing Sectors For Technology Up-gradation In Pakistan: Medium And High-Tech Manufactures" Journal of Quality and Technology Management ,Vol.III, Issue II, December 2007
- 14) Mohammad Naeem Khan, M. A. Baseer and Mehr Bajwa "National Innovation System And Need For An Up-gradation Policy For Innovative And R & D Capabilities In Pakistan" Journal of Quality and Technology Management ,Vol.V, Issue I, June 2009

- 15) Mohammad Naeem Khan and HamidUllah "Problems, Analysis and Recommendation of the Automotive Vender Industry of Pakistan-I" Journal of Engineering and Applied Science (JEAS) Vol.29 No.1, June2010.
- 16) Mohammad Naeem Khan and HamidUllah "Analysis and Recommendations For The Problems Of Automotive Vender Industry Of Pakistan-li (Medium Tech Manufacturing)"Journal of Quality and Technology Management, Vol.VI, Issue II, Dec. 2010.
- 17) Mohammad Naeem Khan and HamidUllah "Strategic Framework for Up-gradation Of the Industrial Technology in Pakistan: Journal of Quality and Technology Management, Vol.VII, Issue I, June, 2011.  
Note: This paper has won outstanding research award for year 2011in Pakistan
- 18) Ahmad Nawaz, Bilal Islam, Naeem Khattak and SaharNoor "Comparison of Polyester and Araldite Impregnated Ignition Coils Using SQC" International Journal of Engineering and Technology IJET - IJENS Vol, 12 No.06 December 2012.
- 19) Masood Ahmad\*, Mohammad Naeem Khan Khattak, Nawar, Hamidullah "Investigation of Obstacles in the Successful Transfer of Technology in Pakistan, University Of Engineering and Technology, Peshawar, Pakistan". Academic Journal of Management Sciences ISSN 2305- 2864 Vol. 2, No.1, June. 2013
- 20) Bangasharif, Ghayur Muhammad, Muhammad Naeem Khan "Evaluation and analysis of forced evaporation system for oil and gas production facilities in Pakistan" international journal of innovative science, engineering and technology, volume 2, issue 11 page 11, 2015, authors
- 21) Adeel Ahmad, Ashfaq Khan, Muhammad Naeem Khan, Zuhaib Ali Khan, Waheed Gul, Naveed Ahmad, Zeeshan Zahir "Selection of cutting parameters for minimizing the real time current drawn during single pass turning operation using response surface methodology" international journal of advanced research in science, engineering and technology, volume 2 issue 6, 2015,.
- 22) Ullah, A. Khan, S.A. Shah, M.Z. Zahir, M.N. Khattak "Sizing of vertical ground heat exchanger for geothermal heat pump" journal of advanced materials and manufacturing, Volume 1, issue 1, 2016, R.

23) R. Ullah, A.Khan, M.Z. Zahir, M.N. Khattak. "Effect of borehole diameter, grout material and shank spacing on thermal resistance of vertical ground heat exchanger borehole" International journal of advanced materials and manufacturing, volume 1, issue 1, 2016,
