Reply-To: IEEE IES INDIN17 Automated Conference Submission System <submit@ieee-ies.org>
To: n.ahmad@uetpeshawar.edu.pk

This e-mail is sent in confirmation of your on-line review of a manuscript entitled Automatic Person Information Extraction Using Overlay Text in Television News Interview Video to INDIN17.

Your review was received and will be forwarded to the chairperson of the appropriate technical track. We appreciate your help as without thorough peer review it would not be possible to hold high quality conferences. Our Industrial Electronics Society is committed to maintaning the highest quality of sponsored and co-sponosred events.

The submitted reviews cannot be edited. However, you can look up your review later and print it for your reference until the conference date by returning to the submission Web site listed below:
http://submit.ieee-ies.org///submit-cgi-bin/reviewerlogin.pl?event=INDIN17&userid=n.ahmad@uetpeshawar.edu.pk
Please enter the password of 0840 to log in. You will see a list of manuscripts that you have reviewed and a list of still pending assignments if any.

Thank you very much for your contribution,
Kind Regards,

Organizers of INDIN17

Comments:
Too many assumptions are made in this work such as position
of overlay text, duration, background etc which makes its
scope very limited. The main contribution of the work is
not elaborated properly. The language of the manuscript
also needs improvement.
