Greetings!

On behalf of University of Engineering & Technology Peshawar, I am submitting a second proposal for Pakistan-U.S Science & Technology Cooperation Program Phase 6, jointly prepared by PIs *Dr. Khan Muhammad* from *Department of Mining Engineering, UET Peshawar* and *Dr. Snehomoy Chatterjee* from *Department of Geological & Mining Engineering & Sciences, Michigan Technological University, USA*.

The Proposal is attached for your consideration.

Kindly note that we are waiting for the Signature of the Executive Director Sponsored Programs Office, Michigan Technological University, on Pg 5 of the proposal and will send it (as a separate page) as soon as we receive it.

Kindly acknowledge the receipt of the proposal.

Looking forward to a successful cooperation.

Regards,

-

***Engr. Syed Asif Ali Shah***
