The meeting started with recitation from the Holy Quran. Thereafter, the Convener welcomed all the Members of Committee, Consultants and their representatives. He briefed the members of the Works Committee regarding the evaluation of Technical Proposals & score based on technical evaluation criteria provided in the RFP for hiring of consultant for the civil works activities of the newly approved project titled "Strengthening of Abbottabad Campus of UET Peshawar". The participants appreciated the prompt and transparent process of technical evaluation; started from the date of opening of Technical Proposals i.e. on 14th December 2020 & successfully completed on 30th December 2020.

The participating Consultants were also briefed about their technical score which was already uploaded on UET website; calculated on the basis of evaluation criteria provided in the RFP and further clarified in the Pre-Bid meeting (the minutes of which are also available on UET official website). They were also asked to submit any query about their technical score before the opening of their financial proposals. After the satisfaction of members and consultants regarding the process performed till date, the Convener asked the Director of Works to open the sealed financial proposals in front of the Committee and participating consultants. The score of all the consulting firms framed and ranked in the following order based on the evaluation criteria of the RFP:
